PUBLIC CONSULTATION ON THE EUROPEAN CITIZENS' INITIATIVE; FINLANDS'S PRELIMINARY COMMENTS

Finland considers it important that the Commission has organized public consultation on the European citizens' initiative. The aim is to make the initiative more functional and user-friendly.

Finland presents its views in the attached memorandum (the Finnish memorandum is translated into English) without fulfilling the form. The comments are preliminary.

The comments presented can also be published on the Commission's website.

Director General

Sami Manninen

Senior Adviser, Legislative Affairs

Sina Uotila
