Excellency,

**Subject: IMO Member State Audit Scheme (IMSAS)  
Audit of the Republic of Finland, July 2024**

I have the honour to inform you of the scheduled audit of Finland under the IMO Member State Audit Scheme.

You may wish to note that as of 1 January 2016, the audit of Member States is a treaty obligation for parties to the relevant IMO instruments. Audits are carried out in line with the Framework and Procedures for the IMO Member State Audit Scheme (resolution A.1067(28)) and using the IMO Instruments Implementation (III) Code (resolution A.1070(28)) as the audit standard.

Based on the overall audit schedule, the audit timetable for the year 2024 has been developed and the audit of Finland is tentatively scheduled for July 2024.

In this regard, please find enclosed a letter addressed to Mr. Timo Harakka, Minister of Transport and Communications, for onward transmission to the Minister, notifying him of the audit of Finland under the IMO Member State Audit Scheme and requesting a formal acknowledgement of the audit and provision of necessary information.

Please accept, Excellency, the assurance of my highest consideration.
